## "The Queen of Country Soul"

- Houston Press

"I love her work! She has a beautiful soul, artistry, honesty and courage. Bonnie Bishop is as gifted a prose writer as she is a musician, not to mention she's an incredible singer! She is a phenomenal artist and has an incredibly soulful voice."

- Bonnie Raitt

"Full of wrenching renewal... The band sounds lean and sure behind her, and she matches the vibe."

- New York Times

"Bishop's first album in nearly half a decade finds the Texan singing over B3 organ, strings and electric guitar, with Cobb focusing the spotlight on her sultry swoon of a voice."

- Rolling Stone Country

"Her vocals mix the Southern sass of Shelby Lynne with the guts of Susan Tedeschi, leaving room for a fair amount of Bonnie Raitt-styled grit and gumption."

- American Songwriter

"Ain't Who I Was' is one heck of a record. Beautifully produced, arranged, written and sung. Bonnie's in the best voice of her career"

- Raul Malo

## Ain't Who I Was

- Grammy-winning Bonnie Bishop delivered her sixth album, 'Ain't Who I Was,' on May 27th (Thirty Tigers/RED). Produced by Dave Cobb (Chris Stapleton, Sturgill Simpson, Jason Isbell).

- "Ain't Who I was" peaked at #4 on the Americana Airplay chart in July of 2016.

- Has performed shows in 28 States, Canada, and Aruba.

- Toured with The Rich Robinson Band on their summer tour as opener.
