

**In 1985 The Knitters
released their first album.
2005 seemed like a good year
to release their second one.**

**The Knitters are John Doe, Exene Cervenka, and DJ Bonebrake
of the legendary punk band X, along with Grammy® winner
Dave Alvin and Jonny Ray Bartel. Still confounding
country music fans after 20 years.**

Look for The Knitters on tour this summer.
